To Secy

The Bd has not supported the Coll:rs proposal to reduce the rate of interest on loans; loans work may not therefore ~~be very heavy~~ be very heavy. It is also seen from the details given at p:2 of that the Jahr is intended practically for reconstruction work. Is such an establishment costing, Rs 650 per mensem necy for helping the PD of the Relief Committee? for orders.

2/ Draft recommending the spl staff is however put below for consideration

3/. The Coll:r has already employed a R. I. for loans work & has addressed separately on the subject.

20.9.23 JK

4/. The proposal entails an expenditure of nearly Rs 2500/ which can be met from the Board's reserve under "22 - Rural Admn - Formation and extension of village sites"
